

Samuel and Mary Saylor. Reverend Saylor was a Free Will Baptist minister whose ministry took the family to both Unicoi and Carter Counties in Tennessee as well as Mitchell County, North Carolina before they settled in Johnson City, Tennessee. Paul was the third of four sons born to the Saylor.

Saylor's legacy included not only service to his country but his admirable character, as well. Letters that he wrote to his family during his year in the United States Navy revealed his intelligence, his strong work ethic, and his generous spirit.

Growing up the son of a Free Will Baptist minister during the Great Depression gave Paul a deeply personal understanding of the financial burden his family faced. Lower enlisted men received very little pay during the early 1940s however, Paul's letters indicated that he was sending money home to his parents showing a strong sense of responsibility. He also was driven to succeed as his writings revealed that he figured out early that if he studied hard and passed his exams he could be promoted. His time of service was just over a year, but he was quickly promoted to Fireman First Class.

Paul Saylor's remains were unidentified, like many others, until modern analysis revealed his identity, allowing him to be brought home for a proper burial on August 20, 2021. Although his life was tragically cut short, his memory will continue to live and generations to come will see his name recorded on the Walls of the Missing at the Punchbowl, along with the others who are missing from WWII. A rosette will be placed next to his name to indicate he has been accounted for.

Madam Speaker, please join me in honoring Navy Fireman First Class Paul E. Saylor's legacy and ultimate sacrifice to our Nation. He represents the spirit and sacrifice that has made the First District of Tennessee as well as these United States, great.

HONORING LULA WINDLESS BOYD

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Monday, August 23, 2021

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable community servant, Lula Windless Boyd.

Lula was born on September 26, 1949, in Marks, MS. She is the fourth child of eleven children (8 girls and 3 boys) born to the late Matthew and Ruth Hodo Windless. She grew up in the Squirrel Lake community in Darling, MS. She has a host of nieces and nephews. This family sticks together like glue. It's never a dull moment during family gatherings. When one hurt, they all hurt. Trending technology has allowed this family to communicate with each other daily, literally all day. Her phone chimes all day because of the messages she receives from her family members.

Lula is the mother of three lovely children, Tywonda Boyd, Lynette Moffett, and Marcus Boyd. She is a grandmother to 5 grandchildren, granny to 5 great-grandchildren, and granny to 7 extended grandchildren, she loves all of them very much. There's no limit to what she would do for her family. She has an endless list of individuals she calls her friend, family member, or church member.

Lula is a faithful member of New Bethel Missionary Baptist Church in Darling, MS, under Gregory Coleman's leadership. She confessed a hope in Christ at an early age and has been a member of this church all her life under different pastors. She has been the Financial Secretary for over thirty-plus years, and she enjoys her position there.

Lula graduated from Quitman County High School in May 1966. She also attended Coahoma Community College and graduated in May 1968 and Mississippi Valley State University from 1968 to 1969. Her first work experience was at Falcon Junior High School in Falcon, MS, as a Teacher Assistant. Her second work experience was at Delta Hills Head Start Central Office in Holly Springs, MS, as a payroll clerk from September 1970 to May 1977. Other jobs included Mississippi Department of Corrections Office Clerk from July 1977 to September 1978, Wilsew Manufacturing in Sledge, MS, as a payroll clerk, and lastly the Mississippi Department of Human Services as an Eligibility Worker, and she later became a Case Manager. She was a faithful employee at the Mississippi Department of Human Services from August 1981 to April 2014. She retired on April 16, 2014 and began living her best life.

Currently, Lula is enjoying her retirement by giving back to the community. Before the pandemic, she often volunteered at the Quitman County nursing home. She is the type that seldom says no when asked to complete a task either in the community or at church. She enjoys helping individuals in the community, spending time with her family, cooking, gardening, traveling, and doing things she could not do while working an 8 to 5 job.

She lived to see two significant milestones: her 50th year graduating from high school, May 2016, and her 50th year graduating from Coahoma Community College, May 2018. Our family is proud to call her mother, grandmother, great grandmother, sister, aunt, and cousin.

Madam Speaker, I ask my colleagues to join me in recognizing Ms. Lula Windless Boyd for her dedication in serving her community.

Ms. Campbell has dedicated her life to serving others. A fulfilling life according to Ms. Campbell, "is not focused on financial wealth (although it helps) but rather on helping others who are in need. We all need help in life, and we are all servants in some capacity. My public service journey started as a teacher in the school system and then I moved over to health care. I have a sister that is disabled from birth, and finding the right facility and care for her has always been a challenge for my parents. My entire family help my parents take care of her."

Ms. Campbell's life as an Educator began in 1998 as the Family Support Technical Specialist and Advocate Volunteer for Project Empower (Greenville, MS). In that position she worked with mental health officials and the Mississippi State Department of Education to improve services for students with special needs within the Indianola and Greenville Public School District. In 2005, Ms. Campbell was employed as the Tutor within Spencer's Learning Center. She provided on-site tutoring for students in grades Pre-K to First Grade in subject matter areas of reading, language arts, math, science, and social studies. INTRODUCTION OF THE BAYARD RUSTIN STAMP ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, August 23, 2021

Ms. NORTON. Madam Speaker, I rise today to introduce the Bayard Rustin Stamp Act. This bill would direct the United States Postmaster General to issue a forever stamp to commemorate the life and work of Bayard Rustin. I introduce this bill with Representatives MONDAIRE JONES and RITCHIE TORRES. We introduce the bill now to coincide with the anniversary of the March on Washington, which occurred on August 28, 1963, and the anniversary of Rustin's death, which occurred on August 24, 1987.

Born March 17, 1912, Bayard Rustin became one of the most important leaders in the 20th century civil rights movement. At a young age, Rustin learned the values of nonviolence and peacekeeping from his grandparents' Quaker faith, and he would continue to build these values into his life as a civil rights movement leader.

Rustin attended City College of New York, where he joined a progressive club that aimed to remedy racial issues during turbulent times. His time with the club was short-lived, but it inspired him to join the Fellowship of Reconciliation, an organization that became a champion for labor rights, equity and world peace.

Rustin's time with the Fellowship of Reconciliation led him to become a leader in the 1947 "Journey to Reconciliation," where white and black people across the South rode buses together to challenge segregation laws, a precursor to the Freedom Rides.

Rustin was an advisor in Martin Luther King Jr.'s inner circle as King advocated pacifism and nonviolence for achieving equal treatment for African Americans. Rustin applied his brilliant strategic mind to execute aggressive, peaceful action in the civil rights movement and throughout his life as an activist.

His most important role was as the chief organizer of the historic 1963 March on Washington, the largest demonstration ever organized at the time, in which a quarter of a million people turned out to demand civil rights for African Americans.

In the years after the civil rights movement, Rustin, a gay man, inspired others to advocate for and to achieve LGBTQ rights. He remained a strategist and public speaker for workers' rights movements, including co-founding the A. Philip Randolph Institute for black trade union members. Rustin remained committed to promoting social good, and advocating for the disenfranchised, until his death.

I urge my colleagues to support this legislation.
